BEAUTIFUL TO THE CORE.

Ostaco
WINDOWS & DOORS

A PASSION FOR DETAIL.

It's possible, from Ostaco

The COREWOOD Series from Ostaco. Wood on the inside - maintenance free on the outside. Finally...a high quality maintenance

free vinyl window that shows off warm, wonderful wood on its interior surfaces. Available in three different natural woods: clear pine, cherry and oak. Or, go custom for the wood of your dreams. Whether you're renovating or building from scratch.

have it all...

Wood is warm, wood is natural, and wood is timeless. What's not to love about wood windows? But in today's environmentally conscious age, windows have to be super-efficient with zero draught. Rules out wood, no? Not anymore. Ostaco wants you to have it all. Energy efficient,

brand new windows with the performance of vinyl, and a gorgeous natural wood finish on the inside surfaces.

WHAT'S AT THE
CORE OF YOUR HOME?

A CHARMING BALANCE.

Inspiring

wood offers diverse choices

Love choice? Ostaco delivers once again. Our new COREWOOD windows come with all the lovely options you can think of. A

variety of woods? Why not. Any brickmould you can imagine? Try us. Limitless shapes, sizes and a dazzling range of hardware options? Naturally.

colour on the outside, wood on the inside

The Ostaco COREWOOD series is available in pine, cherry, oak or your choice of custom wood interior. All come to you ready for painting or staining...or simply seal with a clear finish and enjoy the gorgeous natural grain and colour. This CSA approved and Energy-Star Rated window

is externally maintenance free and can even be custom colour matched (like our entire family of Ostaco windows).

The COREWOOD series is available as a casement, fixed casement or picture window, and comes in a range of shapes.

See our website for more detail.

we 'get' glass

Wood is wonderful and we're
proud to offer it – but we're
pretty excited about the window
pane too....Ostaco delivers three
super-efficient, state-of-the-art
argon-filled glass options for
comfort and energy savings. Pick

from our standard Low E2; our latest comfort technology LowE3;
or our new Low E 179c (the best ER rating in the entire world!). Your
choice of glass, your choice of exterior colour, your choice of interior
wood. It's windows, done better and more beautifully than ever.
