Ostaco has gone to every effort to ensure that the information contained herein is accurate. However, Ostaco accepts no responsibility whatsoever for any errors in or omissions from the brochure and reserves the right to discontinue, replace or make changes to any of its products without incurring liability.

MOOSE PATIO DOORS

STRONG

Ostaco has built one of the strongest and most durable patio doors in Canada, calling it **"THE MOOSE"** seemed like the only option. Similar to our native animal, **"THE MOOSE"** patio door is combined with strength, performance and beauty.

POWERFUL

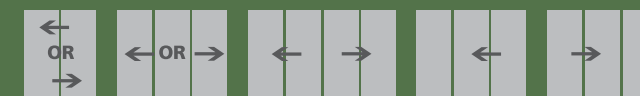

The **MOOSE PATIO DOOR** has multiple chambers for increased strength and performance. The Moose is available in triple glazed glass (1 3/8") for added security and energy efficiency. This heavy duty construction allows the **MOOSE** to be one of the strongest patio doors on the market.

DURABLE

The new bold screen design was created to eliminate bending and flexibility. The screen has a large extruded frame for increased rigidity and easy operation. Your screen door will slide open and closed with ease and grace.

SLIDING DOOR OPTIONS

A wide range of decorative grilles and energy-smart glazing options are available to give your door a custom-designed look.

Available in 2, 3 and 4 Panel Configurations.

YOUR DOOR, YOUR WAY

- Choose from White, Antique White and Tan vinyl
- Painted to match any designer colour
- Internal mini blinds available
- Interior available in Pine, Cherry or Oak wood cladding
